Following discussions between Evangelical Alliance and Avanti Ministries, Avanti agreed to set up an independent panel nominated by the Alliance to investigate in a confidential manner the allegations against Tony Anthony.

The panel produced its report on 26 June 2013 challenging the integrity of some of the facts of *Taming the Tiger*. Tony has since confirmed that he is considering a revision to the book.

Avanti have nurtured the ministries under its care and does not wish the current issue to adversely impact on the good work that has been achieved. After prayerful consideration the Avanti Board have decided it is in the best interests of all concerned that it is now right that Avanti's management of those ministries should cease. Avanti Ministries will therefore proceed to close down its operations and wish to thank all its supporters for their prayer and support over the years. The Board would ask for continuing prayer for its evangelists and in particular Tony and his family at this difficult time.

We are reminded that God is working for the good of those that love Him, that our source of joy and hope is in Him. We pray that the Gospel will increase even further. We thank you for your love, support and encouragement. Please take time to read Psalm 40, 1-10
